

23.02. The mSupply Support portal

We all like it when things run smoothly but every so often things go wrong. The mSupply Support Portal is where you go to get technical support for mSupply.

Log a one-off Support Ticket

To log a support ticket with our support team, go to <https://support.msupply.org.nz/> and enter the details of the issue and click the “send message” button.

The screenshot shows the 'Contact Us' form on the mSupply Support Portal. The form includes a 'contact us' button on the left and a 'sign in' button on the right. The main form area has the following fields:

- Contact Us:** A heading for the form.
- What email address should we reply to?:** A text input field containing 'someone@somewhere.org'.
- Subject:** A text input field containing 'Solomon Islands - trouble logging in to mSupply'.
- Message:** A large text area containing 'Hi I am getting an error message when I try to log in. Can you please assist'.
- Attachments:** A section with a 'Choose Files' button and a file named 'Mob2_001.jpg'.
- Please type the characters from the image below:** A CAPTCHA section with a text input field containing 'H8MQ' and a corresponding image showing the characters 'H8MQ'.

At the bottom of the form, there is a 'Logged IP: 178.18.83.140' label and two buttons: 'Send Message' and 'Discard'. The footer of the page includes the text 'powered by Cerb' with a small robot icon.
