

23.02. mSupply Support portal

We all like it when things run smoothly but every so often things go wrong. The mSupply Support Portal is where you go to get technical support for mSupply.

Log a one-off support ticket

To log a support ticket with our support team, go to <https://support.msupply.org.nz/> and enter the details of the issue and click the “send message” button.

The screenshot shows the mSupply Support Portal contact form. At the top left is the mSupply logo with a small character icon. Below it is a 'contact us' button. At the top right is a green 'sign in' button. The form has the following sections:

- Contact Us:** A text input field for 'What email address should we reply to?' with the placeholder 'someone@somewhere.org'.
- Subject:** A text input field with the placeholder 'Solomon Islands - trouble logging in to mSupply'.
- Message:** A large text area with the placeholder 'Hi I am getting an error message when I try to log in. Can you please assist'.
- Attachments:** A 'Choose Files' button and a file named 'Mob2_001.jpg'.
- Security:** A section titled 'Please type the characters from the image below:' with a text input field containing 'H8MQ' and a corresponding image showing the characters 'H8MQ'.
- Footer:** 'Logged IP: 178.18.83.140', 'Send Message' and 'Discard' buttons, and a 'powered by Cerb' logo.
