

## 26.02. mSupply Support Web Portal

We all like it when things run smoothly but every so often things go wrong. The mSupply Support Portal is where you go to get technical support for mSupply.

### Log a one-off support ticket

To log a support ticket with our support team, go to <https://support.msupply.org.nz/> and enter the details of the issue and click the “send message” button.

The screenshot shows the mSupply support portal interface. At the top left is the mSupply logo with a character holding a red cross. Below it is a 'contact us' button. At the top right is a green 'sign in' button. The main form area is titled 'Contact Us:' and contains the following fields:

- 'What email address should we reply to?' with the value 'someone@somewhere.org' and a small icon.
- 'Subject:' with the value 'Solomon Islands - trouble logging in to mSupply'.
- 'Message:' with the text 'Hi I am getting an error message when I try to log in. Can you please assist'.
- 'Attachments:' with a 'Choose Files' button and the file 'Mob2\_001.jpg'.
- 'Please type the characters from the image below:' with a 'Text:' input field containing 'H8MQ' and a corresponding image showing the characters 'H8MQ' on a grey background.

At the bottom left, it says 'Logged IP: 178.18.83.140' and has 'Send Message' and 'Discard' buttons. At the bottom right, it says 'powered by Cerb' with a small robot icon.
