ICD10 disease codes

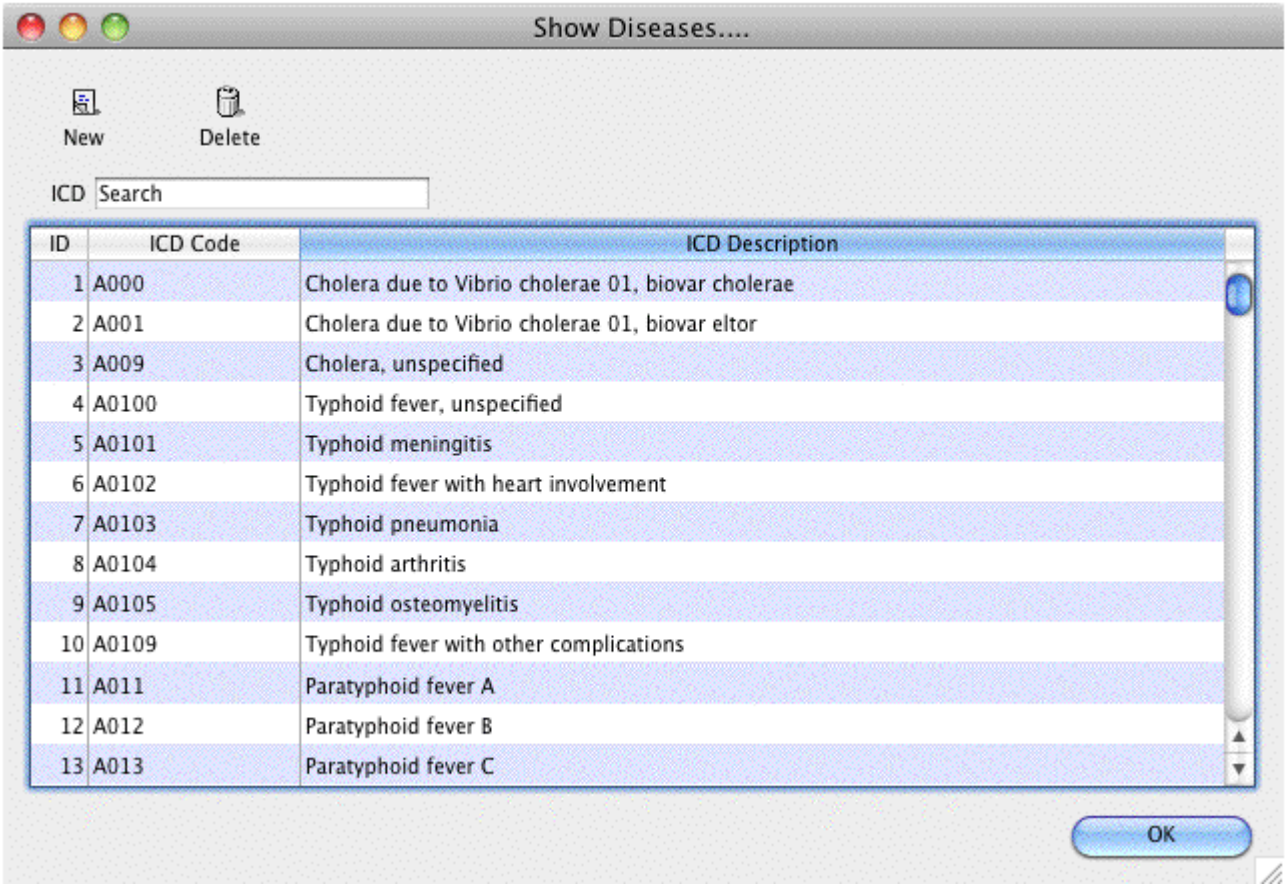

*

These can be imported from File > Import ICD-10 codes.

An ICD10 disease list is available for download on the mSupply web site.

Show ICD10 codes

On choosing Special > Show ICD10 codes you will be shown the current disease list.

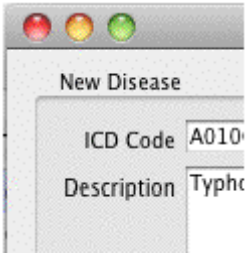

Find

To search for a particular code, type as much of the code or description as you know, and matching entries will be shown. For example, typing “foot” will show all entries that have “foot” in their code (not that many, we imagine“!) or their description.

To Add a new entry, click the // New// button.

To Modify or view an entry's details, double-click the row.

Valid until...

This field allows you to use a code up until a certain date.

After that date is reached, you can't assign that code to any new encounters.

Note that you can use this field to disable use of a code at any time by entering yesterday's date and saving the record.
