

## 20.05. Patients

### Adding a new patient

Choose **Patient > New Patient**, or click the *New Patient* button on the navigator. This will show the following window:

The screenshot shows a software window titled "New/Edit Patient Info...". It features a tabbed interface with "General", "Contact details", "Encounter", "Disease history", "Log", and "Store". The "General" tab is selected. At the top, there's a "Patient code" field with the value "2", a "Store" dropdown set to "Hospital Info System", and a "Registration Date" field with "22/11/12". The "General Info" section contains fields for "Title" (Mr), "First Name", "Middle Name", "Last Name", "Gender" (radio buttons for Female and Male, with Male selected), "Marital Status" (Single), "Blood Group", "DOB" (05/03/00), "Age", "Occupation" (None), "Religion" (None), "Ethnicity" (None), and "National Health Number". The "Next of Kin" section has fields for "Name", "Patient Code", "Relation", "Phone", and "Email". The "Patient Picture" section includes a large empty box and "Add" and "Remove" buttons. At the bottom are "OK & Next", "Cancel", and "OK" buttons.

Most of the fields are self-explanatory..

- First & last name (mandatory)
- Next of Kin
  - Here you can link a patient to another existing patient.
  - Type the last name then a comma, then the first name (or part thereof), and press tab. A list of matching names will be shown. Double-click on a name to select that person.
- Patient Picture
  - You can add a patient picture by clicking the *Add* button.
- Address and other contact details can be entered on the *Contact details* tab.
