## Adding a new patient

Choose **Patient > New Patient**, or click the *New Patient* button on the navigator. This will show the following window:

Most of the fields are self-explanatory..

- First & last name (mandatory)
- Next of Kin
  - Here you can link a patient to another existing patient.
  - Type the last name then a comma, then the first name (or part thereof), and press tab. A list of matching names will be shown. Double-click on a name to select that person.
- Patient Picture
  - You can add a patient picture by clicking the *Add* button.
- Address and other contact details can be entered on the *Contact details* tab.

## Showing and modifying patients

Choose **Patient > Show Patients** , or click the *Show Patients* button on the navigator.
