HIS preferences

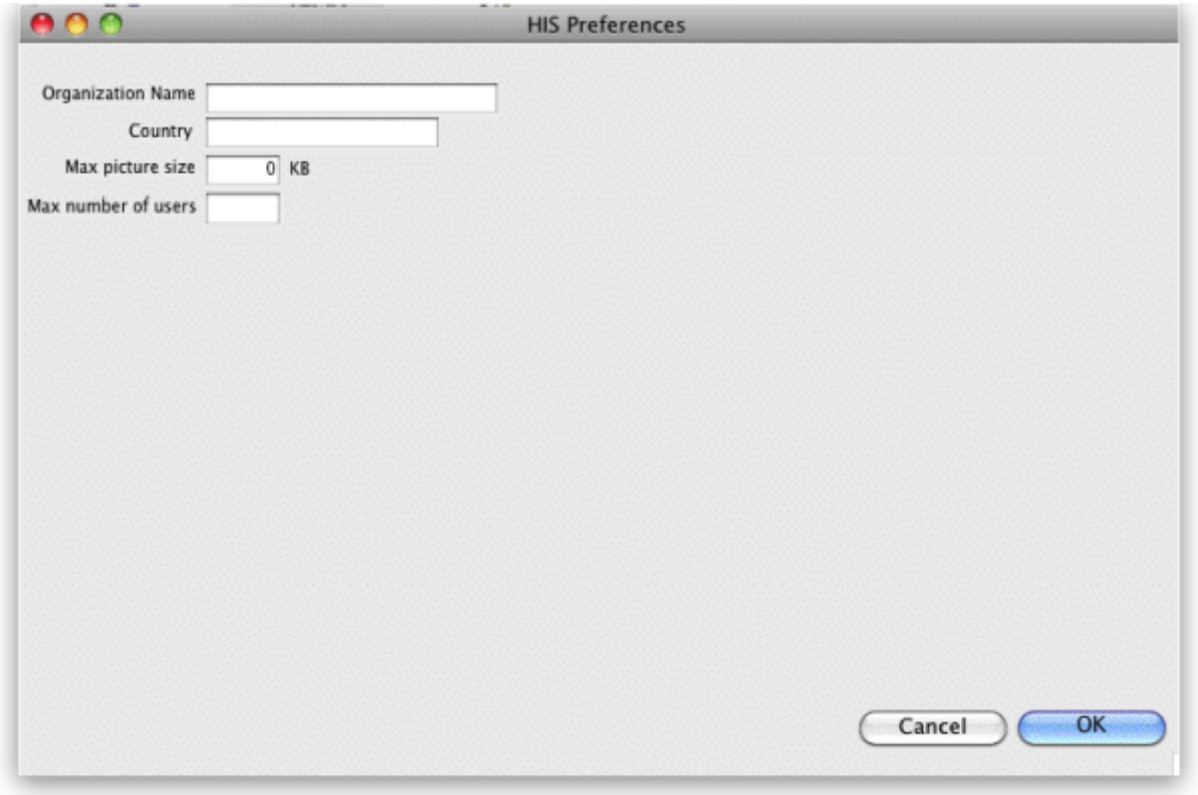

*

**Organisation name: ** Enter the hospital name here.

**Country: **Enter the country you are located in.

**Max picture size: **Enter the maximum size of patient pictures that can be inserted. We suggest you set this value to 500KB.

**Maximum number of users: ** Enter the maximum number of users that can log into the HIS system at one time. For example, if you purchase a 10 user license, and assign 6 users to the HIS system, it will allow 4 users to log in to the pharmacy (mSupply) module.
