

Attachments

- *mSupply* allows you to attach documents to an email.
- To attach a document, simply click the “attach” button. You will be presented with the standard window to find a file.
- There is no limit to the number of attachments you can add to a email. (Well, actually it's a few thousand. Let us know if this isn't enough.)
- To delete an attachment, click the attachment in the list you want to delete, then click the *delete* button.
