# Users

*

Only users who have been added to the mSupply user list can log in.

Adding a new user

1. Choose **File > Edit users**
2. Click the **New** button
3. You will be shown the user window

1. Fill in:
    1. The user name
    2. Assign a password
    3. Enter password again
    4. Go to the permissions tabs and set up permissions (3 tabs)
    5. Go to the Log-on modes tab and set up log-in modes
    6. For a normal store user set up like this:

1. Click **OK** when you're done.
2. The user should now be able to log on.
3. After the user logs in, they may want to change their password by choosing **File > Change password**
